Dear [customer name],

I'VE GOT TWO QUESTIONS FOR YOU:

- 1) Do you own a small business?**
- 2) Is your business online?**

Millions of businesses have used .com to help them succeed. Now it's your turn. In this day and age, businesses simply can't afford not to be online and available to current and prospective customers and clients. The good news is: your business can afford to get online. Getting your business on the Internet has never been easier.
