

Domain Names for New-Age Retail

Want to start a retail business or an online store?

Tell the world you're selling with a **.store** domain name. Over 230,000+ businesses already are.

5 reasons why retailers are choosing .store:

Recallable

Empowers them to stay on top of the mind when a customer has a need for their product.

Brandable

Conveys their store's brand attributes in the most sophisticated and effective way.

Memorable

Helps customers remember the domain name easily so they can reach their site conveniently.

Relevant

Creates an instant connect with their customers in the very first brand interaction.

Short

Tells their brand story articulately with minimal words.

Whether it's on a search engine, a banner ad, or even print, when potential customers see a **.store** domain name, they know you're selling something. Join leading businesses such as Nike (www.nike.store) and Emirates (www.emirates.store) and get your **.store** domain name today.
